CAUSE

Deandre Gaither released from Bureau of Prisons' custody on December 4, 2009. Mr. Gaither reported to the U.S. Probation Office in Spokane, Washington, on December 7, 2009, at which time he was taken into custody as a result of an outstanding warrant from Spokane County. Upon his anticipated release from custody, Mr. Gaither will not have stable housing or employment, therefore, the undersigned is requesting placement at a residential reentry center for a period of up to 180 days. It is anticipated by allowing Mr. Gaither to participate at the RRC for the designated period, he will develop a release plan appropriate for transitional purposes.

In addition, the purpose of this petition is to apprise the Court of the status of the aforementioned case, in light of the Ninth Circuit Court of Appeals' finding in United States v. Stevens (9th Cir. 2005), and to request that the conditions of supervision be modified to authorize a maximum of six random drug tests per month.

It is respectfully recommended that the attached waiver of hearing to modify conditions of supervised release be adopted to require Deandre Gaither to reside in, and satisfactorily participate in a RRC as a condition of supervised release, up to 180 days, as well as to modify his urine testing condition.
